Forecast for Wednesday 08 Dec 2021

Weather: Rather cloudy during daylight hours with snow showers, although rain below 600m. However, the showers most widespread this morning across through the Trossachs and Arrochar Alps with drier and brighter skies in the afternoon, the best of these around Ben Nevis and across the Moidart. Mainly dry this evening.

Chance of cloud free mountain/hill tops above 800m: 30% early morning becoming 70% in the afternoon.

Visibility: Poor or very poor in snow, becoming mainly good of very good this afternoon. Extensive cloud 600 to 900m, this break and lifting near or above the summits this afternoon.
